FOURTH SUNDAY OF LENT

REFLECT

Is there something to Lent that goes beyond our own spiritual house cleaning and spiritual refinement? Yes, there is! It has to do with listening and learning so that we can take up the task of the Gospel with greater clarity and fortitude. While the spiritual refocusing of Lent is necessary, the fruit of this Lenten conversion has much more to do with learning how we can be a better Church than it does about our eternal salvation. Salvation is a gift that flows out of God's unconditional Mercy and cannot be merited. The spiritual maturity we can experience as a result of our Lenten disciplines serves to reduce the anxiety and apprehension we may experience as messengers of good, but very challenging, and unsettling, news.

St. Oscar Romero said that, "a church that doesn't provoke any crises, a gospel that doesn't unsettle, a word of God that doesn't get under anyone's skin, a word of God that doesn't touch the real sin of the society in which it is being proclaimed, what gospel is that?" When we listen to those descriptive and provocative words, do they resonate with anything in our experience? As messengers of the Gospel, we are called to bring an unsettling message to the world. If our main concern is protecting our self-interests, then we are missing something huge! Many really struggle with being rejected, dismissed, or perceived as someone who is speaking out of turn. There is a counter cultural message that must be preached that clearly sides with the poor, marginalized, victimized, oppressed, neglected, disregarded, and lost souls throughout the world. There is a widespread misery among the peoples that is all too often allowed to fester with no one coming forward to offer a change or resolution.

The Church can speak to the needed structural changes that will allow people to earn just wages, feed their families and share abundantly and equally in the gifts of God's good earth. Such a vision is not some optimistic fairy tale, but the vision of the Creator himself. Lent reminds us, as St. Oscar Romero also states, that, "we are workers, not master builders, ministers, not messiahs. We are prophets of a future not our own." We are not called to labor simply for the benefit of the here and now but of the "what is to come." Our myopic vision can be replaced by a more far reaching Lenten vision that is much greater and deeper in scope. As long as we are carrying the right blueprints with us and our thoughts extend beyond ourselves, then even the little things we do and the simplest prayer we utter go a long way. They give witness to our preference for the light of Christ and not the darkness of error and sin.

Help Stop State Sponsored Suicide

The Connecticut General Assembly is considering legalizing a form of suicide in our state commonly referred to as "aid-in-dying" or "physician-assisted suicide". The legislation is *House Bill 6425 "An Act Concerning Aid in Dying for Terminally Ill Patients"*.

Modern hospice care and the proper use of pain medications render suicide unnecessary, and we need to be mindful of the threat that a suicide mentality poses to vulnerable people and to people with disabilities.

Many people believe that a physician is deeply involved in this process. This not true. The physician orders the mixture of medications, the patient must then orally consume the deadly cocktail of drugs without assistance. Many times without even a physician or nurse present.

We should never allow legislators to establish suicide as a solution to medical issues.

Catholic teaching condemns physician-assisted suicide because it, like murder, involves taking an innocent human life:

Suicide is always as morally objectionable as murder. The Church's tradition has always rejected it as a gravely evil choice: To concur with the intention of another person to commit suicide and to help in carrying it out through so-called "assisted suicide" means to cooperate in, and at times to be the actual perpetrator of, an injustice which can never be excused, even if it is requested. Saint Augustine writes that "it is never licit to kill another: even if he should wish it." True "compassion" leads to sharing another's pain; it does not kill the person whose suffering we cannot bear. (John Paul II, The Gospel of Life, no. 66).

TAKE ACTION:

Go to the website below, ***read more on the issue*** and then sign the petition to stop the legalization of assisted suicide in Connecticut.

UPDATED INFORMATION FOR MASSES IN THE ARCHDIOCESE OF HARTFORD

Parishes are open for the public celebration of daily and weekend Masses. All previously set requirements will still be observed during both weekday and weekend Masses. This includes the wearing of masks while in church and the limitation on singing, which may be done by a cantor but will not include participation by the congregation.

DISPENSATION UPDATE: With the continuation of our responsibility to ensure the health and safety of our Catholic people, the Archbishop is extending the dispensation from the obligation to attend Mass on Sundays and Holy Days up to and including **Sunday, May 23rd**, which is Pentecost Sunday. The elderly, the sick, those who care for someone who is vulnerable, or those who are fearful or anxious are encouraged not to attend or feel obligated to attend at this time.

Live-streamed Masses, both daily and weekend, will continue on our website (sijenfield.org) so that those who cannot attend will be able to participate and remain connected with the parish.

If you decide to attend Mass, please be charitable by protecting others and yourself. Please read and follow the guidelines below.

- If you or someone in your household is ill, especially with fever or flu-like symptoms or conjunctivitis, please do not enter the church.
- At all times, including entering and exiting the church, practice social distancing by staying at least 6 feet from people who do not live in your household.
- You must wear a face mask or cloth face covering. The proper way to wear the mask effectively is to have the mask cover both your nose and mouth.
- Do not shake hands with others.
- Use hand sanitizers.
- Do not congregate to socialize before or after Mass.

PLEASE TAKE PRECAUTIONS TO STAY SAFE AND HEALTHY FOR YOURSELF, YOUR FAMILY, AND YOUR FELLOW PARISHIONERS.
