# Seeing Through the Lens of Faith

©LPI

## REFLECT

The lens through which we view life makes a difference. It also determines who we choose to learn from and what we allow to shape our thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable.

But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things. Faith then shows us that all that lives come from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God's generous, creative, and unconditional love! The unfolding of the human story is the unfolding of God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special.

The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope, and love take on much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus, then, is not just some man who lived at some point in history. Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal. Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?

## FROM FR. GOLAS

I would like to offer my thanks and congratulations to Mrs. Pat Keck and her staff, Ms. Kristen Fitzsimons and members of the Youth Group, and all the volunteers for their efforts in making the Mystery Island Vacation Bible School a great success.

I also want to thank the St. Jeanne Jugan Women's Guild for the delicious and nourishing meals that kept the "islanders" energized through the week. My thanks to the parish staff that also helped to make the week a success.

It was a very special week for helping the children discover the treasure of our faith in Christ. They also had many fun activities and time to enjoy the week. We thank God for providing them with nice weather for most of the week.

## GOSPEL

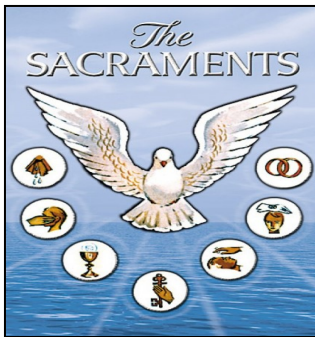

In today's Gospel reading, Jesus compared himself to manna. A long time ago God's people ate manna in the desert, because there was no other food to eat. By sending manna falling from the sky every morning, God taught his people to trust him. Manna tasted good, and it kept them healthy. God took care of them and gave them all they needed. Then, hundreds of years later, God sent Jesus down from heaven, so people could have everlasting life with him.

### ARE YOU LISTENING?

Is God calling you? The noise and distractions of our culture can cause a spiritual deafness. The Office of Seminarians and Vocations would like to help you hear God's voice and discern His will for your life. The vocation program places priority on daily prayer. As our world becomes more materialistic and secular, the people of God need priests who, by word and example, promote the universal call to holiness.

If you think God may be calling you to the priesthood, please visit [hartfordpriest.com](http://hartfordpriest.com), or to speak with Fr. Michael Casey, call 860-761-7456, or e-mail [vocations@aohct.org](mailto:vocations@aohct.org).
